*Brace yourself for some serious retail therapy and prepare to be spoilt by Derry's choice for the most professional shopaholic!*

The city really is a shopper's paradise with something to suit every taste and pocket. Among the many meccas for indulgence is the **Foyleside Shopping Centre** – named Northern Ireland's Best Shopping Centre, the **Richmond Shopping Centre** and don't miss the unique **Craft Village**.

All the best-known high street names can be found in the shopping centres, all conveniently located just a few short stiletto steps away from each other.

Fashionistas will simply adore some of the designer boutiques dotted throughout the city centre, offering everything the more discerning shopper could ask for, including catwalk couture and lesser known gems from local designers.

Derry is also home to **Austin's Department Store** – the oldest independent department store in the world which is renowned not only for their high street fashion but for their impressive range of Irish Crystal, giftware and linens.

For shopping, you never have to stray too far, but perhaps the heels can stay at home as some of the streets are more than just a little steep!!

Follow the long sweeping drive through old woodlands to a magnificent Gaelic castle with its ornamental stonework and imposing 4-storey tower. Here, at the foot of the fabled Blue Stack Mountains, on the shores of Lough Eske, you escape into a luxurious world of relaxed elegance and extraordinary personal service. The Castle, lavishly refurbished in 2007 has been transformed into what will be Donegal's first five star Hotel & Spa located just 5km outside Donegal Town.
